Re: Inactive Hazardous Waste Generator Status

Dear Generator:

This office has reviewed your request for change of status under the hazardous waste management programs of Missouri and the U.S. E.P.A. The ID numbers for the following location will now be coded as inactive.

Installation Name....CONTINENTAL CEMENT COMPANY INC.

Site Address.....21 BROOKLYN
ST LOUIS, MO 63102

Missouri Generator
ID Number.....013333
EPA ID Number.....MOD985773662

This change is for generator activity only. It does not affect the liability or status of a company also registered as a transporter or TSD facility. However, DO NOT USE this number as a generator without re-notifying this office of your activity.

Should you have any questions, please contact this office at (573) 751-3176.

Sincerely,

HAZARDOUS WASTE PROGRAM
